Application for Financial Aid

We have limited funding available to students who, for whatever reason, have difficulty paying our participation fees. Our goal is to be able to provide training or education for any student that wishes to participate, regardless of economic status. This application helps us to achieve that goal.

Please indicate the program for which you are seeking Financial Aid:

Shakesperience **Young Players Practicum** **Young Actor Training**

Applicant Name: _____

Date of Birth: _____

School: _____

Grade (Fall): _____

Which type of assistance are you applying for? Check the appropriate box.

Loan – We can pay for camp, but will need some extra time.

Partial Scholarship – We need some financial assistance in order to participate.

Full Scholarship – Due to financial hardship, we are unable to participate unless the fee for camp is waived.

Check all that apply:

- We have more than one student participating in your Summer Camps programs.
- I am a single parent.
- We have recently become unemployed.
- There is significant driving involved in our camp participation.
- We are year-round residents of the area.

Finally, on the back of this form, or on a separate sheet of paper, briefly describe your situation and how this assistance will help your son and/or daughter. We are not asking for you to disclose specific financial information, nor do we seek to delve into your personal lives, but we are looking for some idea of what this assistance will provide.

In order to be considered, you need to include the **Sign-up** and **Release** forms as well. Please send **all three** forms to:
